1. Project Update / Timeline

Greg Bouchard, Project Clerk, explained each facet of the project including imagery and updates that spanned the scope of the project. Doug Breer, Project Architect, reviewed the project timeline with the committee.

2. Color Selections

The Committee reviewed color options for the playground for those items which require color selection. The Committee expressed interest in neutral colors generally but requested to have an updated pallet at the next meeting.

3. Fundraising Update

The Committee reviewed an updated fundraising list of naming opportunities for the project which reflected information shared with the full Board in 2022. The Committee reviewed the Early Childhood center name – The Hight Family Early Learning Center.

4. Percent for Art Update

The Committee discussed that numerous individuals have submitted proposals for the new school project.

5. De-Commissioning of Schools

The Committee discussed the decommissioning of schools to recognize the closing of Bloomfield, Margaret Chase Smith and North Elementary Schools.

The next meeting is scheduled for **December 11th**.
