PUBLIC GIFTS TO THE SCHOOLS

The following gifts must be brought to the Board via the Support Services Committee for approval before they are accepted:

1. any gift of money, goods or services which adds to or alters any building or the grounds;
2. any gift that requires the expenditure of district money as a result of the gift;
3. any gift of any building.

Any other gift can be accepted by the Superintendent or his designee, without Board approval. The gift must be reported in the Support Services Committee minutes.
