1. Budget Review:

Preliminary budget numbers were reviewed by Mr. Colbry, noting that some minor adjustments will need to be made on the revenue side of the budget. At this point, the Legislature still has not approved the DOE budget. The Superintendent will keep the Committees informed of any changes.

Project List:

Work continues on refining a list of projects that potentially could be done this summer. We will update these as we get closer to year end.

2. Donations:

The following donations have been received from the Hannaford Helps Schools Program:

Mill Stream Elementary \$486

Skowhegan Middle School \$606

Recommendation: That the School Board accept the above donations.
